dubeytushar118@gmail.com

SUMMARY

Passionate and detail-oriented Frontend Developer with a strong foundation in building responsive, user-friendly web applications. Proficient in HTML, CSS, JavaScript, React, and Next.js, with experience in creating dynamic UI/UX designs. Enthusiastic about developing seamless digital experiences and optimizing web performance. Always eager to learn and implement the latest web technologies to deliver high-quality solutions.

TECHNICAL SKILLS

Next.js	HTML	MongoDB
React.js	CSS	
Tailwind CSS	Javascript	

PROFESSIONAL EXPERIENCE

VisionX Technologies   **August 2024 - Present**

Currently working as a Frontend Developer at Vision X, a dynamic startup, where I contribute to building and optimizing live web applications. I have developed and deployed multiple projects, ensuring seamless user experiences with modern technologies like React, Next.js, and Tailwind CSS. Passionate about creating responsive and visually appealing interfaces, I focus on performance optimization and innovative solutions to enhance user engagement.

College Student Council   **June 2024 - Present**

Serving as the Joint Public Relations Officer (PRO) in my college Student Council, I actively build connections with PROs from other colleges to enhance collaboration and outreach. My role involves marketing our events, expanding their reach, and securing sponsorships to support our college fest. Through strategic communication and networking.

EDUCATION

Universal College of Engineering   **Oct 2022 - Present**
B.E in Computer Engineering

Guru Nanak Khalsa College   **May 2020 - June 2022**
Science Stream
